- Prescription Bottle Cap: A child-resistant cap is included with every order. Mark here if you would also like an easy-open cap.
- AdvanceRx.com may contact your doctor regarding your prescription. This may result in your doctor prescribing a different clinically-appropriate product in place of your original prescription. If you do not want your doctor contacted about a preferred, potentially cost-saving product, mark here.
- Spanish label instructions are available. Mark here if you want the label printed in Spanish.

Generic Medications: It is standard pharmacy practice to substitute generic drugs for chemically equivalent brand name drugs whenever possible. AdvanceRx.com will contact your doctor regarding generic substitution when appropriate. You have a right to refuse such substitution. If you do not want a generic drug for a specific medication, please note on the comment line below. Choosing a brand name drug when a generic version is available may result in a higher cost, depending on your prescription plan.
